RESCUE MISSION

ANNUAL REPORT SUBMITTED
BY MR. CHILES.

Citizens Suggest That Weekly Contributions Be Made to the Cause.

Report of the Union Rescue Mission workers for the months of April, May and June, 1910.

Sermons preached, 85; bed-sides, 10 funerals; visited and ministered in 45 homes; made 5 visits to City hospital, one to jail and one to sanitarium, had 12 conversions; 15 reclaimed, and hundreds impressed for a better life.

Got employment for 28 women; 2 men and permanent homes for four children; distributed 1,250 useful articles of clothing, four beds, mattresses, springs and 10 quilts; two stoves, 750 religious papers and periodicals, eight testaments and some good books. Keeping open hall, supplied with the best of literature for the tired and homeless public to rest and read for entertainment and instruction, gave 92 meals; six baskets of provisions, and a quantity of bread.

The offerings are insufficient for the demand and we are unable to solicit the fund and attend to the many other important duties. Have procured the help of Rev. J. A. Lee and wife, and as they wait upon the people we trust will get a hearty reception and liberal pledge for the support and development of the work, to meet the present increasing and future demand; for we have many calls from the needy and no one goes away empty handed. We are thankful to this generous public for what has been given and distributed and we can use to an advantage more money and anything that you can or may spare from the homes. An effort is being made to purchase present place, 413 Trimble street, to make permanent the work. Respectfully submitted, R. W. Chiles, pastor; Mrs. Ida B. Chiles, assistant.

To the Public.

I want to call your attention to the quarterly report of the Union Rescue Mission as it appeared in the paper. The number fed, taken care of, found homes, etc., is to me wonderful. Brother R. W. Chiles is doing a great work for fallen humanity. I have watched this work for some time and want to recommend it so the good will of the people of this town when the solicitor calls, donate something monthly to its support. Old clothes are alright, but it takes some money to settle rents, etc. I am told there is now a deficit of \$90. Come to the relief of this work. Why not do it now.

FATHER HELD AS KIDNAPER.

Charge Made By Mother of Boy Put in Her Custody By Court.

New York, July 8.—Joseph W. Swann, formerly a real estate operator of Everett, Mass., was arrested last night by Police Inspector Thomas Lynch, of Boston, and two Brooklyn detectives as he was leaving the steamship Verdi from Brazil.

With Swann was his 6-year-old son, Robert.

According to Swann's wife, Adra, who was divorced from him four years ago and in whose custody the child was left, Swann stole Robert from her while she was living in Brookline, Mass., in May, 1908, and took him to Brazil, whence he could not be extradited. Swann had returned to this country to visit his mother, who is sick at Everett.

The child was taken to the Children's society and Swann was locked up in the Adams street police station.

PANAMA HATS RELEASED.

Question of Duty and Penalties to Be Settled Later.

New York, July 8.—Collector Loeb with the approval of Secretary MacVeagh, released the big shipment of Panama hats which he held up a few days ago on the charge of alleged undervaluation. The question of duty and penalties, if any, are to be adjusted later. The hats were given up at this time so that the importers, Isaac Brandon & Brother, would not be subjected to a more heavy loss by having the goods tied up until the season would be practically over. There were 148 cases, valued at \$124,552.04, on which Loeb claims duty amounting to \$32,293.27, in the lot released. The importers gave a bond by order of the United States court to satisfy any claim the treasury department may have.

The tax on cigarettes weighing not more than three pounds per thousand in packages containing five, eight, ten, fifteen, twenty, fifty and one hundred little cigarettes will be increased from 54 cents to 75 cents per thousand. The tax on large cigarettes weighing not more than three pounds per thousand will be increased from 54 cents and 1.08 to one rate of \$1.25 per thousand. Cigarettes weighing more than three pounds per thousand must pay a tax of \$3.60 instead of \$3.

At the same time the statutory sizes of the package of smoking tobacco are changed. A quarter of an ounce becomes the unit in weight for these packages and each package must contain a multiple of this unit. These changes, say dealers here, are going to affect the smokers throughout the country.

The smokers are going to pay more for their tobacco and so are the chewers. The prices of cigarettes are going up, in many instances they have already gone up in anticipation of the coming increase in the tax.

Beginning tomorrow the wholesale price of plug and smoking tobacco will be increased two cents a pound it was said today; also the consumer of smoking tobacco will be compelled to pay the same price for packages of tobacco weighing one and a half ounces as they have paid in the past for packages of tobacco weighing one and two-thirds ounces.

The burden of the increased tax will fall, it is said, almost entirely upon the consumer.

And occasionally men of letters are enveloped in gloom.
